BOOK RECCOMENDATIONS

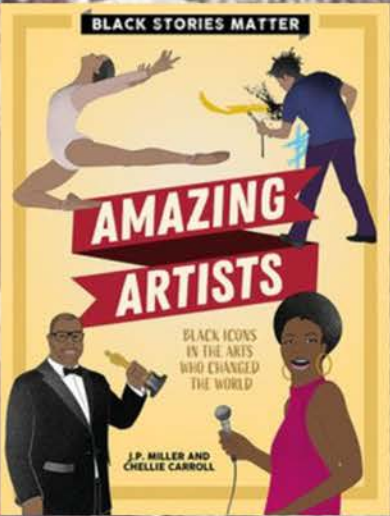

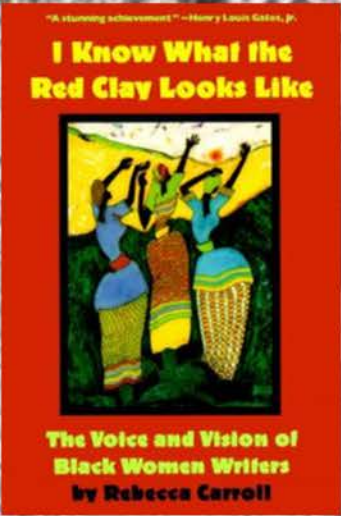

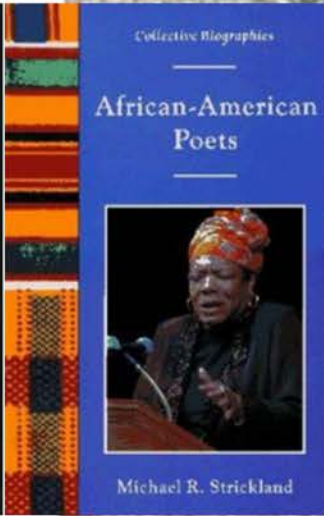

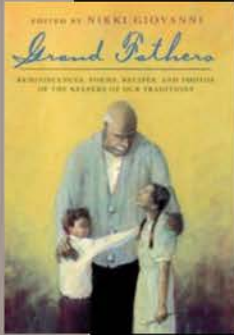

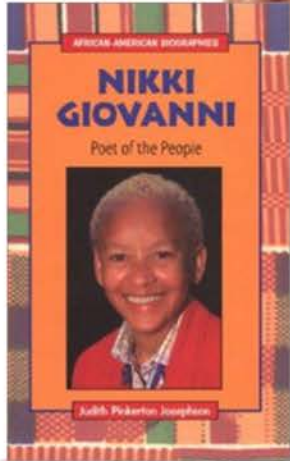

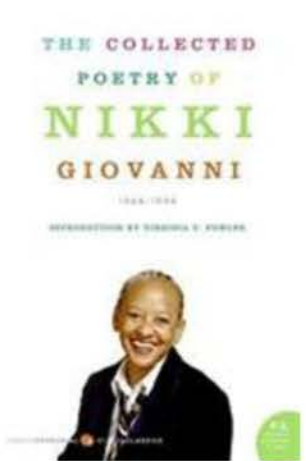

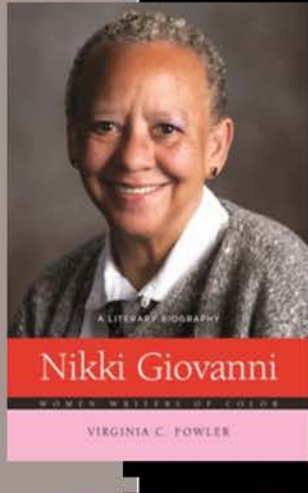

*"Embrace the change, no matter what it is;
once you do, you can learn about the new
world you're in and take advantage of it".*

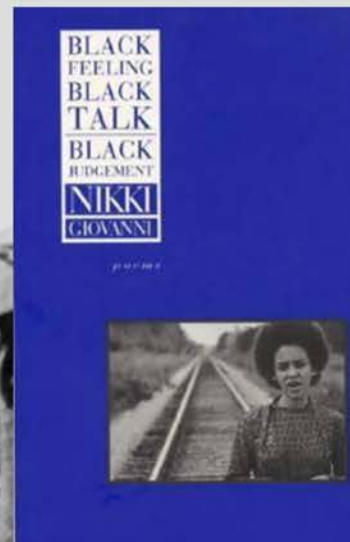

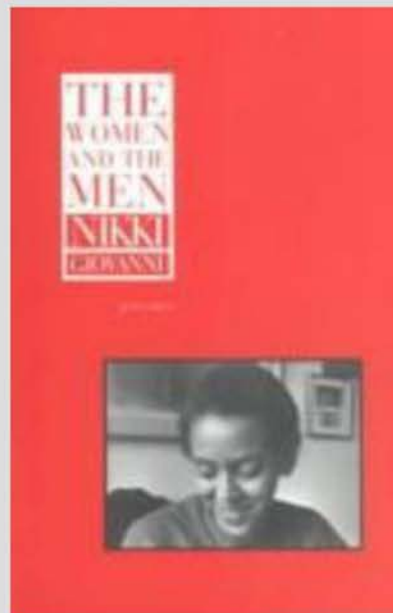

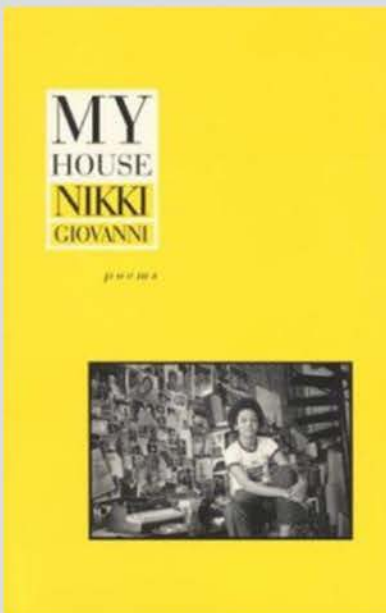

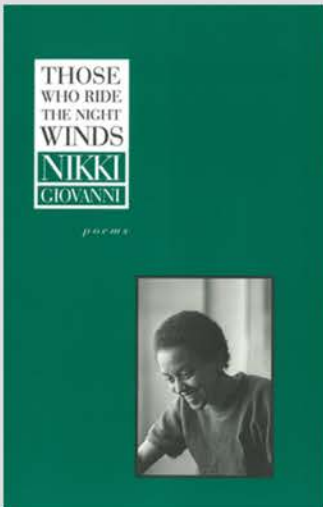

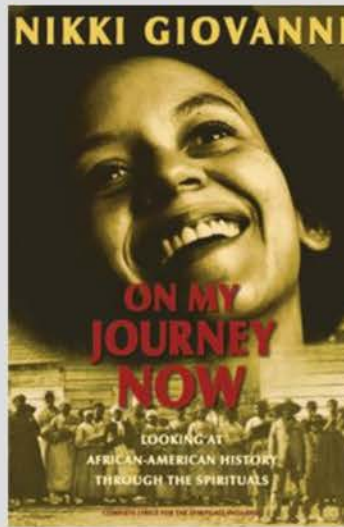

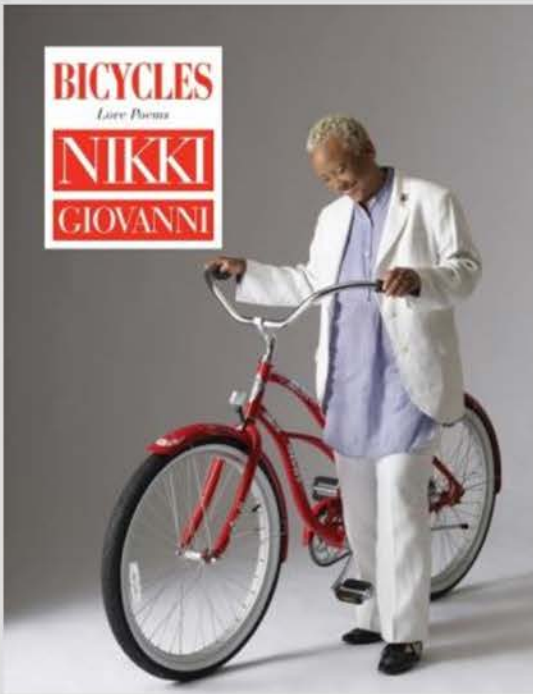

"Favorite poems are like favorite children. We definitely have them but we never tell as the others would have their feelings hurt".

"If you wrote from experience, you'd get maybe one book, maybe three poems. Writers write from empathy"

*"All mistakes
teach us something,
so there are, in
reality, no
mistakes"*
