Please see the corrected response to Question #10, issued in Addendum #3 on January 3, 2019:

1. Is DPL open to phone replacement, if it is built into proposal costs?  
*Response: DPL is not opposed to this as a proposal, but a significant investment was made into the current **Polycom VVX 410 and VVX 500** phones being used. There would have to be a business case proposed if this is a change included in your proposal.*

All other instructions and provisions of the RFP remain unchanged.
